

# Pinellas #2 Reef

## Reef features:

- Considered by many to be the best ship wreck site in west central Florida
- 180-foot steel tug boat “Sheridan” (fully intact and upright)
- 180-foot U.S. Coast Guard Cutter “Blackthorn” vessel (upside down in two pieces)
- Steel barge
- Extensive fish population includes grouper, snapper, amberjack, crevelle jack, Spanish mackerel, triggerfish and barracuda.
